

Paying for Your Study Abroad Partner Program

Students on MU Partner Programs (AIU, Alliance for Global Education, CEA-Arcadia, AustraLearn, IFSA-Butler, CIEE, CMSU-Maastricht, DIS, IES, KU, or Wisconsin-Platteville) will be billed for 13 MU credit hours each semester or 6 MU credit hours for summer, according to the regular MU billing schedule. For Non-Missouri residents, non-resident fees will be assessed by MU, just as if the student remained on campus, and will not be forwarded to the Partner Program. The MU educational fees are paid directly to MU. The resident educational fees will be forwarded by the MU International Center to the MU Partner Program Sponsor on your behalf. **Students pay any costs over and above the cost of MU educational fees directly to the Partner Program Sponsor.**

For example: \$8,500 (MU Partner Program Sponsor Fee) - \$3,192.80* (MU 13 credit hour resident educational fees) = \$5,307.20 (Amount owed to partner program sponsor).

Please note that students on Partner Programs will also pay the MU Study Abroad Administrative fee of \$350 for the semester, academic year, or the summer. Also, all MU students will be billed for the MU Informational Technology fee (Semester / 13 hrs = \$158.60, Summer / 6 hrs = \$73.20). Like Non-resident fees, both fees (Study Abroad Administrative and Informational Technology) will **not** be forwarded to the Partner Institution and will **not** affect the final amount owed to the Partner Program Sponsor.

* This amount is based on the 2008-2009 MU educational fees. The fees for 2009-2010 will be announced in April 2009. Please substitute the new fees for both summer and semester or year-long program charges in order to calculate what amount is paid to the program sponsor.
